## Friday Flier

### No Prime Drinks in School

Please can we ask that Prime drinks are not brought into school for your child to drink at lunchtime. We fully appreciate that Prime hydration drinks are extremely popular with the children and as a result we have noticed more and more of them creeping into the lunchboxes.

The labelling on the Prime Hydration drinks suggests that these drinks shouldn't be consumed by children under 15 years. Although these are not energy drinks, (these ones are labelled as Prime energy and these contain caffeine) they do pose a risk of vitamin toxicity if consumed in excess and therefore to ensure we follow the national guidance we respectfully ask they are not brought in for school.

Prime is also an expensive alternative for squash and the hype around these drinks can cause tension with our pupils.

Please can I take this opportunity to remind you that children are only allowed to drink water during the day and it is only acceptable for the children to have squash in a separate bottle in their lunch box. Thank you for your support around this issue!

### School photographs

If you wish to order your child's class photo and have not yet done so this can be done **online only**. Information is stated on the proof card. The closing date for ordering online is **Tuesday 18 June**. Late orders will incur a charge by the photographic company.

### Year 1 Great Fire of London Workshop: Monday 24 June 2024

Thank you to everyone who has already contributed towards this exciting visit which will enhance the children's history topic. If you have not yet done so please can this be done by Monday 17 June. Without the majority of parents contributing, workshops such as this cannot take place in the future which would be a real shame as it brings the topic alive for the children.

### Breakfast and Beehive Club Payments

If your child attends our wraparound care, please note that your Breakfast club invoice should now be paid in full and an initial Beehive payment is due by Friday 21 June at the very latest.

### Overcoming childhood anxiety: Online Meeting

The Hampshire Mental Health Support Team are putting on a workshop for parents to help them manage anxiety in children under 12. This will be highlighting when anxiety might be a problem (as opposed to a 'normal' developmental phase), different anxiety disorders and how these can be recognised and discussed. Exploring why treatment is important and a detailed overview of a Cognitive Behaviour Therapy approach. Key strategies to use within professional roles are highlighted, and the role of parental/adult behaviour (how they respond to the child's anxiety) is explored. When? Thursday 20 June 5.30-7.30pm. Where? Online via Zoom. Who? Parents and carers. Please click on the following link which takes you to the poster and Zoom details. [Anxiety Course](#)
