15 October 2024

Dear Parents/Carers of Year 2 Children

We are very excited to share that our SEND Governor, Rikki Parsons, has offered to run a Board Games club for Year 2 pupils. The club will run on Monday evenings, commencing on 11 November and will run until 16 December, which will be the last session.

Board games offer opportunities for learning and brain development across all age groups. They help to sharpen a child's focus and lengthen attention spans, whilst providing a structured way to have fun with their peers.

The club will start immediately after school and will finish at 4:30pm. There is an expectation that children will attend the club on a regular basis as they will be developing their skills and knowledge from one week to the next.

Due to the limited number of spaces, children will be selected on a first come first served basis, or randomly selected if slips are received at the same time. If the club is oversubscribed and your child is not selected for this session, they may get a place in a future club in the new year.

If you would like your child to take part in the Board Games club, then please complete the Google Form by clicking on the link below by the end of the day on Thursday 24 October. If your child is allocated a place, they will receive a confirmation slip on Tuesday 05 November.
