

Purbrook Infant School PTFA Newsletter - December 2024

Welcome...

...to our first PTFA Newsletter! A huge thanks to all that supported us last year and helped us to raise £10,502.74 - this year we've started again and are planning some super events over the next couple of terms that we hope you'll all enjoy!

Thank you to everyone who helped and supported our Christmas events - we hope you and your children enjoyed them as much as we did! As a thank you from us for being so awesome this term and putting up with the PTFA being in and around their classes, the children will be coming home this week with a little packet of sweeties.

As always if you can spare some time and would like to join us or even offer to help at our next event please pop us an email at ptfa@purbrook-inf.hants.sch.uk

Thank you - Lorraine and the PTFA team x
